Advance-Nilfisk Parts - Imagine how tedious it would be to tidy up your very own home right after having a big party, with no assistance from cleaning equipment. In the past, the time carpets and upholstery had the dust beat out of them by hand; brooms, cleaning cloths and brushes were the leading cleaning materials during that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Starting the business in 1906, he began to make motors to be able to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's vision from the start was to own a worldwide business marketing merchandise internationally.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single person. This creation came in a time where many cleaning machines were very big and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the way we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning machines provide a brilliant solution to an existing problem; stuff get filthy and have to be cleaned frequently, without too much effort.

Gradually but steadily, Nilfisk-Advance grew through the years. During the nineteen eighties, this expansion truly happened the time the company became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap ahead within the trade, aspiring to be among the largest global players in the market of professional cleaning equipment. Nilfisk-Advance is now represented in all parts of the world due to steadily acquiring numerous small companies so as to develop their product portfolio and presence in new markets. They are proud to provide a range of cleaning solutions to suit every requirement.
