

Genie Forklift Part

Genie Forklift Parts - Genie is a globally acclaimed company that enjoys the spirit of partnership with their extensive network of allied customers. Genie Industries prides itself on the image of bringing materials and people higher and extending beyond the goods they manufacture. Genie Industries strives to help clientele erect their business no matter how large or small the scale of undertaking may be.

In 1996, with the launch of the Genie Hoist, which is a pneumatic, portable material lift spawned the foundation of Genie Industries. A series of aerial work platforms and additional materials lift trucks followed to meet consumer demand. These progressive products secured global recognition and established modern product design.

Genie Industries is currently a subsidiary of Terex Corporation. Sustaining foremost quality production and uncompromising service and support are among their top priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured forklifts on the jobsite, the business is self-assuredly grounded in their exceptional consumer service and values. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are personally dedicated to offering expertise and maintaining customer rapport.

The reliable staff is dedicated to greener, more environmentally sensible solutions to develop the goods that clients want. Genie Industries focuses on "lean production" practices in order to help limit waste while providing very high quality forklifts in the shortest time period at the lowest feasible cost for the consumer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they produce.
